TRIPLE CHILL EFFECT
The Professional’s Choice 2XCool Sports Medicine Boot was designed around COOLING, COMFORT and DURABILITY. This neoprene-free boot is constructed with ultra-lightweight, super breathable materials that provide the support and 4-way stretch Professional’s Choice boots are known for. The liner of the boot is made with 2XCool performance fabric by brrr°, a technologically advanced textile that combines natural cooling minerals, active wicking and rapid drying to create a “Triple Chill Effect” that instantly and continuously draws away heat and moisture. A new stretch Kevlar patch on the suspensory strap flexes with every step to provide ultimate support and durability without restricting freedom of movement. The Professional’s Choice 2XCool Sports Medicine Boots featuring brrr° will keep your horse’s legs cool, dry and protected.

Cold Therapy is one of the most trusted remedies for treating horses with tissue damage resulting in pain, swelling and heat. For equine athletes with joint and lower limb problems the application of cold therapy after every training session is beneficial to the horse. Treatment is also valuable as a preventative measure, keeping joints and soft tissue healthy so your horse can perform longer and more comfortably.

30-Day Money-Back Guarantee/Six-Month warranty or as required by law.
